Family Ministries Encouragement

Science of Christianity and the Mind—There is a science of Christianity to be mastered—a science as much deeper, broader, higher, than any human science as the heavens are higher than the earth. The mind is to be disciplined, educated, trained; for men are to do service for God in ways that are not in harmony with inborn inclination. Often the training and education of a lifetime must be discarded that one may become a learner in the school of Christ. The heart must be educated to become steadfast in God. Old and young are to form habits of thought that will enable them to resist temptation. They must learn to look upward. The principles of the Word of God—principles that are as high as heaven and that compass eternity—are to be understood in their bearing on the daily life. Every act, every word, every thought, is to be in accord with these principles.

April 15, 2023

“Now it came to pass, when the time had come for Him to be received up, that He steadfastly set His face to go to Jerusalem, and sent messengers before His face. And as they went, they entered a village of the Samaritans, to prepare for Him. But they did not receive Him, because His face was set for the journey to Jerusalem. And when His disciples James and John saw this, they said ‘Lord, do You want us to command fire to come down from heaven and consume them, just as Elijah did?’ But He turned and rebuked them, and said ‘You do not know what manner of spirit you are of. For the Son of Man did not come to destroy men’s lives but to save them.’”

Luke 9:51-56 (NKJV)
